

REMARKS / ARGUMENTS**Claim Objections**

The Examiner has objected to claims 84 and 90 as being of improper dependent form for failing to further limit the subject matter of a previous claim. Reconsideration thereof is requested in light of the following.

Claim 84 has been canceled rendering the objection of claim 84 moot.

As regards claim 90, at page 2 of the Office Action, the Examiner writes that “Applicant is required to cancel the claim(s), or amend the claim(s) to place the claim(s) in proper dependent form, or rewrite the claim(s) in independent form.” The applicant avails himself of the last option and rewrites claim 90 in independent form. The resultant claim now appears as new independent claim 113, and includes all the limitations of claim 90 and allowed claim 85. Claim 90 has been canceled. Favorable consideration is requested.

Rejections Under 35 U.S.C. §103

The Examiner has rejected claims 80-84 and 107 under 35 U.S.C. §103(a). The applicant has canceled these claims, rendering the rejection moot.

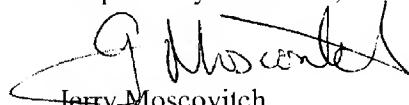

New Dependent Claims

New claims 114-117, depending from claim 113, have been added. These claims correspond to allowed claims 86-89. Favorable consideration is requested.

CONCLUSION

In view of the above amendments and remarks, applicant requests that a timely Notice of Allowance be issued in this case.

Respectfully submitted,

Jerry Moscovitch
Applicant and Inventor
